## Community Reviews for this School

Posted: 12/19/2023 by Senior

Northern has a lot of potential. The teachers care about delivering a good education. The school board has not followed through with school projects.

Posted: 11/29/2023 by Senior

I thoroughly enjoyed my academic experience at Northern, and I felt challenged in some of the AP classes that I took. I also had a great athletic experience; I participated in sports all 4 years and had so much fun. I also love all of the different electives that Northern offers, including auto, culinary, firefighting, outdoor education, and more! I definitely think that the culture at Northern is bad, and there is a lot of laziness, but I have seen a big improvement in this area this year. The administration has been okay, but they have really pushed the students this year.

Posted: 10/29/2023 by Alum

The teachers tried their best to make due with what they had. With Durham already being an overall bad neighborhood, the school tried their best to separate the students from the bad community surrounding them. Most of the teachers, that I had at least, did there very best to make sure that every student is succeeding. Some things they could do better, is they need to enforce the rules more. Not many students try to succeed because the standards are set so low.

Even though I didn't join any clubs the football games were an experience of a life time not to mention academic wise everyone had a chance to succeed academically excel and apply the everyday material to real life situations

I attended this school since 2019 and have only great things to say about my experience. The teachers are super sweet and amazing, and each student were treated equality.
