## Community Reviews for this School

Posted: 3/18/2020 by Parent

This school is led by an amazing principal, Mr. Rotosky, and our daughter has had a wonderful first year at Southwest. The dual language program is fantastic, her teacher Ms. Smith was kind and sweet to our little girl, and we are overall very happy with the culture of this school. It is a happy and nurturing place.

It is an overall good school, with suitable activities and you should try the FLL it is a good program The Teachers are great The principal is great and the coaches are great too, so far so good

Posted: 11/27/2021 by Alum

I studied in Sherwood Githens Middle school during 6th grade. The community is welcoming, filled with professionals and exciting activities. The educational institution shared an individual approach with every single student, as each student received direct help from the teacher when it came to tackling issues, such as low grades, new challenging projects or fights, clashes between students. In addition, the school was strict, as any wrong action or misbehaviour could have led to detention. Having had come from Armenia, I was able to meet new friends, get accustomed to an ecosystem of the revolutionized school curriculum and was involved in a variety of projects. I surely recommend the school to every student, as a great start to their middle school journey. In all honesty, no flaws come to my mind when thinking of the school. My only recommendation to the school is to change the sport involvement policy, by organising such events more often and recruiting more students.

My experience at Hillside High School in Durham, NC, has been nothing short of transformative. As a junior, I've had the opportunity to immerse myself in a vibrant community that values both academic excellence and artistic expression. Academically, Hillside has challenged me to push my limits and explore new horizons. From challenging coursework to engaging discussions, my teachers have played a pivotal role in shaping my educational journey. Outside the classroom, my passion for the performing arts has found a home at Hillside. Whether on stage in theater productions or singing in choir performances, I've been able to channel my creativity and talent in meaningful ways. Beyond academics and the arts, Hillside has provided me with a sense of community and belonging. Through extracurricular activities, sports events, and community service projects, I've formed lasting friendships and made unforgettable memories.

From my experience, Hillside is just a plain and regular school that happens to be a bit more dangerous than the next. But despite the gun violence and few unhelpful administrators, I've met amazing teachers and peers there. I would like to see better resources given to my school.

I would like to see more parent participation. Also, our administration works hard to provide a safe environment for us. However, there are bad seeds in every bunch. The media highlights the negative stuff and never the positive. Our graduating seniors are awarded millions of dollars in scholarships each year. We have smart students working hard to make a school the best in the state.

My experience going to this school was an overall 7.8 out of 10 because this school has too many fights and cold food besides that the clubs are really good and the events they have.

The best part is it's basically an all-black school. A lot of people that look like yourself if you're black and the bad part is sometimes you can have your ups and downs.
